## **Looking for a great practice location opportunity?**

“Achieve Physiotherapy Coorparoo” is hoping to find an easy going professional to join our health care team. We have lost our wonderful psychologist as she is getting married and would very much like to find someone to fill the void in our lives.

We are Physios, remedial massage therapists and exercise scientists who are focused on client health and wellbeing. Located in a beautiful old Queenslander in Coorparoo/ Greenslopes we are close to public transport and have car parking, air con, wifi.

Reasonable rates and coffee provided.

Please call Sebby on 0417031021.
