

Topbar Automatic Start-Up

Topbar can be enabled to open automatically when you log onto your computer. This setting would need to be enabled for each user account.

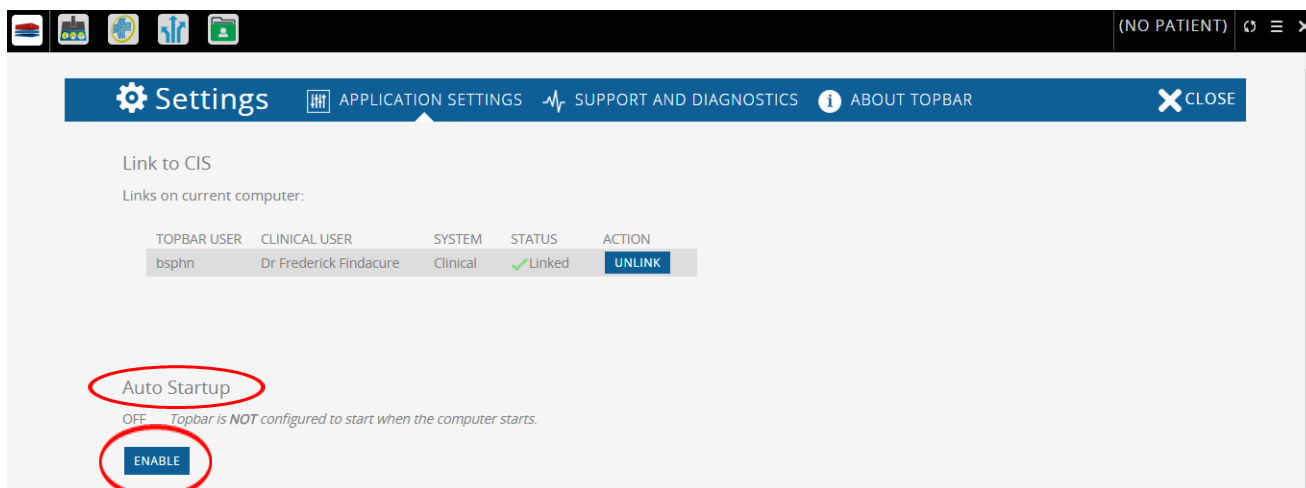

1. Open and Log onto Topbar
2. Click on the **Dashboard** button from the Menu bar

3. Click on the **Settings** button

4. Click **Enable** under the **Auto Startup** menu

NB: The logon speed of your computer may be slower with this option enabled. Follow the steps above and choose **Disable** to turn off this setting.

Useful resources and information is available on the Brisbane South PHN Digital Health webpage
