

4. In the **Preview** tab, review the Shared Health Summary to verify it has populated correctly.

Attest to the statements at the bottom of screen, then select **Pack and Send** (bottom-right corner) to upload the Shared Health Summary to the patient's My Health Record.

Note: The *Personally Controlled Electronic Health Records Act 2012* (referred to in the attestations) has been superseded by the *My Health Records Act 2012*.

5. The Shared Health Summary will also be saved to the patient's local medical record in the **Patient Outbox**.
