How To Refer

STEP 1. Patient discloses experience of FDSV, or you have concerns for the safety of a patient.

STEP 2. Offer supported referral to Local Link if it is safe to do so.

STEP 3a. Patient consents to a referral to Local Link: contact us via phone, email, fax or medical objects, to complete the referral (contact details on front page).

STEP 3b. Patient does NOT consent to referral to Local Link: respect their choice, offer a follow-up appointment, and call the Local Link for a de-identified case consult.

The DFV Local Link is part of Brisbane South PHN's Recognise, Respond, Refer (RRR) Program, which supports primary care to enhance service responses to people experiencing DFV. This service is supported by funding from the Australian Government through Brisbane South PHN.
