

2025 Brisbane

Immunisation Professional Development Seminar

Benchmarque Group are delighted to be supporting the 2025 Brisbane Immunisation Professional Development Seminar.

We have rapidly become the 'go to' organisation for Immunisation training and ongoing education to maintain currency for Nurses, Midwives and Aboriginal and Torres Strait Islander Health Practitioners nationally. While Immunisation client safety is critical, at Benchmarque Group, a core focus is practitioner safety.

Ultimately, we know that immunisations have been, and remain, a simple, timely, effective, and affordable way to improve health and deliver positive outcomes for people of all ages.
