

Position Description

Position title	Digital Health Senior Project Coordinator
Status	Full time fixed term
Location	Eight Mile Plains
ABOUT PRIMARY HEALTH NETWORKS (PHNS) AND BRISBANE SOUTH PHN	
Brisbane South PHN is one of 31 regional Primary Health Networks (PHNs) established nationally by the Australian Government to help deliver an efficient and effective primary health care system for the people of Australia. We work with health professionals and communities to understand our region's health and wellbeing needs, and commission services that respond to those needs. By investing in person-centred, place-based models of care, we deliver results for the people and communities in our region and support broader health system reform. As a local agent of system change for the people in our region, we're committed to: • deeply understanding the health needs and service gaps in our region • commissioning safe, equitable health services in response to people's needs • improving health literacy and access to health services in our communities • supporting health professionals and workers in the primary health system • partnering to deliver better health outcomes and experiences of care for people in our region. Our vision is 'healthy thriving communities'. Our values are Respect, Courage, Integrity, Equity, Collaboration, and Excellence shaping the way we work with our stakeholders and with each other. Our purpose is partnering with care providers and communities to strengthen health and wellbeing, especially for those with the greatest need.	
POSITION OBJECTIVE	
The objective of this position is to: 1. Lead and coordinate the successful delivery of complex digital health projects including project, contract and relationship management with internal and external stakeholders. 2. Contribute to the development of the Digital Health and Capability portfolio through the identification and development of new business opportunities. 3. Ensure activities focus on the achievement of the Digital Health and Capability team goals and contribute to the realisation of the Brisbane South PHN strategic goals and vision.
