

Doctors, Got 10 Minutes?

Help Us Understand Vaping in Medicine!

We're running a short, **anonymous survey** for **all** physicians across all specialties and levels of training Australia. We are researching use, perspective and knowledge of vaping / e-cigarettes.

Why It Matters:

There's limited data on healthcare professionals use, perspectives and knowledge of vaping.

Your input will help:

- Inform medical education strategies 
 - Highlight trends in vaping use within the profession 
-

Quick Facts:

 Just 10–15 minutes

 Up to 35 quick-fire questions

 100% anonymous

  For fully qualified physicians (all specialties)

  Led by A/Prof Angela Chiew & Dr Joachim McLean

 Funded by Prince of Wales Hospital Emergency Dept

 **Take the survey now and add your voice to the data that matters.**
