

Family Based Treatment for Anorexia Nervosa Workshop

Date: 1 and 2 April 2019

Time: 9.00am – 5pm (registration from 8am – 9am)

Venue: Brisbane Broncos Leagues Club, Fulcher Road, Red Hill

Cost: ANZAED Members \$300
Non-ANZAED members \$350

Family Based Treatment for Anorexia Nervosa (FBT- AN) is currently the leading evidenced-based treatment for children and adolescents with restrictive eating disorders internationally. This workshop will provide participants with the knowledge and skill to implement FBT- AN in the workplace. This two-day workshop has been developed in collaboration with the Training Institute for Child and Adolescent Eating Disorder (USA), and will be co-presented Children's Health Queensland, Child and Youth Mental Health Service, Eating Disorders Program.

Registration fee includes ten sessions of group supervision for CYMHS staff. Full details available in weblink below.

Event will be fully catered.
