Credit transfer for continued learning

Students who successfully complete these units are able to articulate directly into the Course in Immunisation Practice in Primary Healthcare, and the Course in Immunisation Support in Primary Healthcare respectively. Completion of these units provides a direct credit transfer into the higher level program.

BenchmarkIQ

Both units are delivered via our online learning management system, BenchmarkIQ. BenchmarkIQ is an innovative and easy way to learn online - Study anywhere at anytime, Edit saved answers and review before submitting, easy access to statement of results plus a live student console that tracks assessment, enrolments and waitlists.

Bulk enrolments - If your organisation would like to discuss sponsoring your staff or cohort, please contact John von Dadelszen, John@benchmarkgroup.com.au or call 0415 386 535.
