Viral Hepatitis Nurse-led Models of Care Forum

Nursing Practice – Beyond Elimination

Date: Saturday, 29th May 2021

Location: Online

Cost: FREE to nurses practicing in New Zealand and Australia

This virtual one-day forum is an opportunity for nurses from diverse settings and across the continuum of care to come together, share knowledge and discover new ways of working towards elimination of viral hepatitis.

Hear from nurses implementing nurse-led models of care around Australia and New Zealand. Explore the challenges, benefits and opportunities of nurse-led clinics to improve the outcomes for people living with viral hepatitis.

The program will consist of oral presentations and poster presentations by nurses who are delivering innovative nurse-led models of care.
