

Brisbane South PHN
Expression of Interest
Non-Executive Board Directors

Brisbane South PHN seeks to support *the best possible health and wellbeing for every person in the Brisbane south region*. We partner with a range of primary health care services, health care professionals, government and non-government organisations, to build a health and wellbeing system in which every person in the Brisbane south region, especially those with the greatest need, is supported to live well and experiences care that is connected, high quality and easy to access.

Brisbane South PHN is a company limited by guarantee and one of 31 Primary Health Networks created across Australia to address local health needs and national health priorities. Our governance structure is designed to provide strategic direction and integration of care across the health system. Our Board is skills based and values diversity across professional competencies, age, gender, culture and languages.

Brisbane South PHN is seeking expressions of interest for Non-Executive Board director positions for an initial casual appointment, with eligibility to be appointed for a full term at the Annual General Meeting in November 2022.

Applications will be reviewed by a Nominations Committee, and will focus on a genuine interest and commitment to the purpose of the organisation, appropriate technical skills, and industry background and experience.

The Board is committed to diversity in all aspects of governance and values diversity in culture, ethnicity, race, sex, gender identity or expression, sexual orientation, age, disability status, neurodiversity or any other aspect which makes our people unique. The composition of the Board should reflect the diversity of the region that Brisbane South PHN represents and values.

Ideally, applicants will have a broad range of governance and Director skills and experience, with a focus on either:

- A General Practitioner with contemporary experience in primary health care, ideally, with multi-disciplinary or integrated care leadership, OR;
- Demonstrated experience working with the diverse populations represented within the Brisbane South PHN catchment.

Expressions of interest should be submitted with a covering letter and an accompanying CV or resume of no more than two pages to Janelle Black: Company Secretary, Brisbane South PHN by email: jblack@bsphn.org.au to arrive no later than COB (5.00pm) on **4 February 2022**.
