

RECOGNISE RESPOND REFER

AN INTEGRATED PRIMARY HEALTH CARE RESPONSE TO DOMESTIC AND FAMILY VIOLENCE

- WHOLE OF PRACTICE TRAINING 1 hour
- In person or online availability
- RACGP Accredited

RECOGNISE

What is Domestic and Family Violence and how all practice staff play an important role in responding to victims and offenders.

RESPOND

What do we do when our patient discloses abuse. Eg. financial, psychological and physical to name a few.

REFER

Who can we trust to refer our patients to and give them the care and attention they need?

DOMESTIC AND FAMILY VIOLENCE TRAINING

DFV has serious impacts in ALL areas of our life

This training will :

Bring confidence to have those "difficult conversations"

Teaches you how to recognize DFV "Signs and Symptoms"

Provides you with tools to make referrals to address patient needs.

Identify that ONE link to the services in your area!

AVAILABLE NOW

Before or After hours availability.

Please book by contacting the numbers below.
