The DFV Local Link is part of Brisbane South PHN's Recognise, Respond, Refer (RRR) Program, which supports primary care to enhance service responses to people experiencing DFV. This service is supported by funding from the Australian Government through Brisbane South PHN.

Training participants will:

- Learn from DFV specialists and partnering experts (including Access 99 Steps, QLD Council for LGBTIQ Health and WWILD).
- Gain enhanced knowledge and valuable strategies in responding to DFV in priority populations.
- Understand how you can play a key role in reducing barriers to access for priority groups.
